Subject: Acting RA briefing: Tuesday 2.23.15 at 11 am

Becky and Michael,

Next Tuesday 2.23.15 at 11 am Rick would like Michael to brief the Acting RA Bob K. on the Allied Paper Landfill OU1. Michael should plan to talk about 5 minutes and give Bob an update on the status of the remedial decision-making at the OU, and our past collaborative efforts to build consensus on the cleanup decision. Please discuss schedule for decision-making. A site map will be useful. Let me know if you have questions.

I will be on AL, so won't join the discussion.
